# MISSION STATEMENT/QUICK FACTS

2002-2003 La Salle Women's Basketball 2002-2003 La Salle Women's Basketball 2002-2003

## Mission of La Salle University

La Salle University, dedicated in the traditions of the Christian Brothers to excellence in teaching and to concern for both ultimate values and for the individual values of its students, is a private Roman Catholic university committed to providing a liberal education of both general and specialized studies.

## Mission of La Salle University Athletics

La Salle University is a Roman Catholic institution of higher education with traditions of the De La Salle Christian Brothers. In that framework, the Department of Intercollegiate Athletics and Recreation of La Salle University is committed to both the spirit and principles set forth by NCAA, Atlantic 10 Conference, Metro Atlantic Athletic Conference and La Salle University regulatory guidelines. La Salle University is dedicated to the fair and equitable treatment of all students and staff.

The Athletic Department, through its intramural and intercollegiate programs, enables and encourages all students to participate in a wide variety of sports at many levels of competition. Values such as leadership, diligence, determination, and teamwork are emphasized. Good sportsmanship from its athletes and fans is supported.

The University strives to operate its athletic programs within the confines of a fiscally sound plan at a level of intercollegiate competition that is consistent with its philosophical objectives.

La Salle University seeks to join other institutions with like commitments to institutional integrity, academic excellence, and to service the community.

## WHY WE'RE THE EXPLORERS

La Salle University's nickname - The Explorers - was erroneously bestowed by a sports writer covering a La Salle football game (La Salle played intercollegiate football from 1931-41 prior to program being revitalized in 1997) on campus sometimes during the 1930's. He thought that the school was named after the French explorer of North America.

In reality, the school was named after St. John Baptist de La Salle, the French educator and founder of the Christian Brothers. Despite the error, the nickname remained.

**Kale Beers** returns for his seventh season to broadcast men's and women's basketball as well as to serve as the coordinator of the La Salle Basketball Radio Network (LRN) and the "Voice of Explorers Basketball". He is also finishing up his first year as La Salle's Director of Athletic Communications.

A 1995 graduate of La Salle University (B.A. Communication), Beers enjoyed his seven seasons in professional baseball. In those seven years, Beers has called games for teams in the Philadelphia Phillies, Cleveland Indians, Pittsburgh Pirates and California Angels minor league systems.

Beers learned the art and business of broadcasting rather swiftly as he created and formed the La Salle Basketball Radio Network from ground up just fifteen months after earning his degree from La Salle. In its five years of operation, the LRN has grown to broadcast nearly 40 men's and women's basketball games during the season and become a significant generator of income for the University in the nation's fourth largest media market.

Beers broke into professional broadcasting with stops at Burlington, NC (Rookie - Cleveland) of the Appalachian League. There he served as the Director of Broadcasting/Media Relations, and in Reading, PA (Class AA - Phillies) of the Eastern League where he earned his first on-air experience as a broadcast intern for the Phillies.

Beers' first taste of professional baseball came in 1994 when he interned for the Philadelphia Phillies during his junior year at La Salle. Beers would stay on for two additional seasons in the Phillies' Video Services Department and contribute to game day and external operations that included the "Silver and Bronze" 1995 season highlight video and the 1996 Major League baseball All-Star Game.

Before going to Reading, Beers served as the Director of Broadcasting and "The Voice of the SeaWolves" for Erie, a Double-A affiliate of Major League Baseball's Pittsburgh Pirates. Kale's responsibilities for the SeaWolves included broadcasting every game, handling all baseball-related media requests and issues, producing all game broadcasts and overseeing broadcast relations. He assumed responsibility for the complete in-house production of the SeaWolves' annual Media and Information Guide which earned the Distinction of "Best in Class A" in 1998 - Beers' first effort at producing a media guide.

Beers was born in Emmaus, PA and is a veteran of the United States Army where he served six years (two of active duty) as a Cavalry Scout.

**Steve Degler** enters his sixth season as the color analyst on the La Salle Basketball Radio Network. Degler has also been the voice of the Reading Phillies for the past 10 seasons.

During his time with the R-Phillies, they have won the 1995 Eastern League Championship and in June, 1998 Baseball America ranked the city of Reading as the No. 3 Minor League Baseball City in the National Association of Professional Baseball Leagues.

Along with his work with the R-Phillies, Degler has worked over the last two years, as a fill-in as host of the pre- and post-game shows on the Philadelphia Phillies radio network. Degler has also worked for ten years as radio/TV broadcaster and public address announcer for football and basketball at Kutztown University.

Degler has been involved for 13 years as radio and TV broadcaster for high school and college soccer, football and basketball games in Berks, Lebanon and Schuylkill counties, calling numerous district and state tournament contests, including four state championship games.

He prides himself on the fact that he broadcast nearly 1,300 consecutive Reading Phillies games from April, 1992, through May, 2001. Degler, with numerous baseball and basketball games under his belt, is a voting member for the John Wooden Award, given annually to the top men's college basketball player in the nation.

A 1988 graduate of Kutztown University, with a Bachelor of Science in Telecommunications, he and his wife, Karen, and daughters Sarah and Hannah reside in Hamburg, PA.

2002-2003 La Salle Women's Basketball 2002-2003 La Salle Women's Basketball 2002-2003

**L**a Salle women's basketball head coach John Miller will lead his team into battle for this, his 17th season, in 2002-03. During his tenure as the Explorers mentor, Miller has registered a 287-176 record, which includes 14 winning seasons. And with seven letterwinners returning, along with a quintet of promising newcomers, La Salle will look to notch its 15th winning season and give Miller, the school's winningest women's basketball coach, his 300th career victory.

The floor general who will have to balance the Explorers' youth and experience in game situations will be third-year starting point guard and senior Chrissy Walker. Last season, she dished out exactly as many assists (135, the ninth-highest single-season total in La Salle history) as she had in her first two seasons combined, when she split time between point guard and forward. Walker also takes very good care of the ball, as exemplified by her 1.5 assists-to-turnover ratio in 2001-02.

Returning in the backcourt are Walker's classmates, Beth Mays and Bonnie Randa. Mays was a defensive stopper in her 27 appearances last season, registering the team's second-best steals total (35) in her 12.6 minutes per contest. Randa has knocked down the seventh-most 3-point

field goals at La Salle (84), and her top-returning 40.2% from beyond the arc in 2001-02 (45-of-112) helped the Explorers set a new school record (162) in 3-pointers made in a single season.

In the paint, junior Kat Foley emerged as a go-to option toward the end of the 2001-02 season, averaging 17.5 points per game in the last 10 Explorers games. She's La Salle's top-returning scorer from a season ago, as she averaged 11.4 points and 4.6 rebounds per contest. She'll be joined up front by sophomore Monica Garrido Sanz. Garrido Sanz, from Madrid, Spain, last year became the first player in Explorers history to be named to the Atlantic 10 Conference's All-Rookie Team. She was the team's leader in field-goal percentage (67-for-147, .456), and pulled down a top-returning 137 rebounds (4.9 average). Garrido Sanz is the only returning La Salle player who played in all 28 contests in 2001-02.

Sophomore guards Jill Marano (35-of-39 free throws, 30 assists) and Meghan Wilkinson (19 steals, 4.2 points per game) each averaged 14-plus minutes per game in the backcourt last season, and will look to receive more playing time this winter. Also pushing hard for playing time will be five talented newcomers. Junior Ekaterina Markova, a transfer from Rosemont College, is a 6-foot-2

forward who was a Division III All-American, while freshman Davineia Payne (5-foot-9 shooting guard) was Delaware's High School Player of the Year in 2001-02. Lamera Ferguson is a 6-foot-2 freshman from Syracuse, N.Y., who was a Top-100 McDonald's All-American nominee last season, while New Jersey products Jenna Graber (217 3-point field goals) and Shaune McLaughlin (Third Team All-State, McDonald's All-America nominee) will bolster La Salle's backcourt depth immediately.

Once again, the Explorers will face a challenging schedule this season, as seven of La Salle's 2002-03 opponents made postseason appearances a year ago. Big Five rivals Temple and Villanova made the NCAA Tournament in 2001-02, as did Bucknell. Delaware, George Washington and Holy Cross, as well as Big Five and Atlantic 10 rival Saint Joseph's, all took the floor in the WNIT last season.

*Junior Kat Foley knocks down a runner against St. John's on her way to being named to the All-Tournament Team at the La Salle Invitational.*

*Sophomore Monica Garrido Sanz won the La Salle Invitational's Most Valuable Player award. She's shown accepting the award from La Salle's Senior Woman Administrator, Mary Ellen Wydan.*

## JOHN MILLER

### HEAD COACH

### ST. CHARLES SEMINARY ('69)

### 17TH SEASON

John Miller, the all-time winningest women's basketball coach in La Salle history, enters his 17th season at the helm of the Explorers.

Since becoming the sixth women's basketball coach at La Salle on May 2, 1986, Miller has recorded a 287-176 record. Those 287 victories equate to more than half of the Explorers' all-time win total. His .620 winning percentage is also second all-time at La Salle.

Miller picked up his 250th career win during the 1998-99 campaign when the Explorers defeated Fordham 58-46 in the Tom Gola Arena. Miller showed off his coaching expertise in that win, as the Explorers scored 13 points in the first half, then roared back to score 45 points behind 53.3% shooting from the field.

Miller's career at La Salle University began in the 1986-87 season. In that season, Miller led the Explorers to a 21-7 record, a Metro Atlantic Athletic Conference (MAAC) regular season title and a co-Big 5 title. He was named the MAAC Coach of the Year and the Big 5 Coach of the Year.

Miller has posted 13 winning seasons during his stay at La Salle and has reached the 20-victory mark four

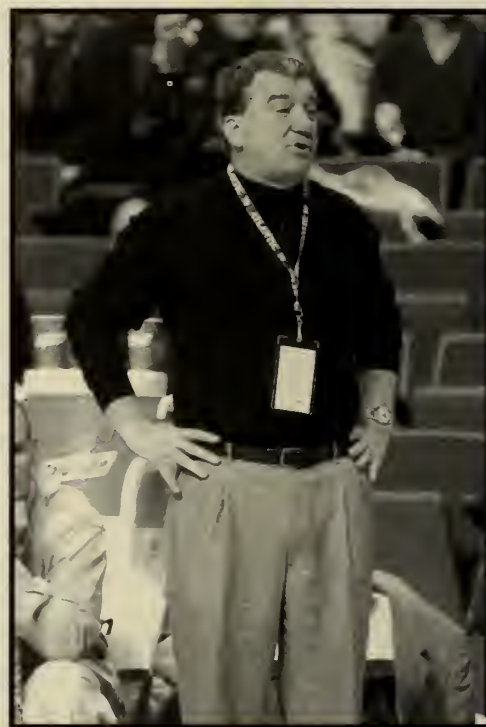

times. At the close of the 1988-89 campaign, with a record of 28-3, the Explorers were ranked 18th in the final Associated Press poll.

Under Miller's tutelage, La Salle has captured five Philadelphia Big 5 championships and four Metro Atlantic Athletic Conference (MAAC) regular-season titles. During his tenure, the Explorers have made two NCAA Tournament appearances and one in the National Women's Invitational Tournament (WNIT) in Amarillo, Texas.

Miller has been honored as the Philadelphia Big 5 Coach of the Year and the MAAC Coach of the Year three times each and also has earned a Regional Converse Coach of the Year award.

During the 1990-91 season, Miller recorded his 100th La Salle win in a game that also was the 300th for the Explorers' women's program.

Before joining the La Salle staff, Miller coached extensively on the high school level. In 1976, Miller was named head coach of the Archbishop Ryan boys' team after serving as an assistant to "Speedy" Morris at Roman Catholic for five years. During his nine-year stint at Ryan, Miller twice was named the Philadelphia Catholic League Coach

*Miller's 100th coaching win during the 1990-91 season was the 300th for the Explorers Women's Basketball Program*

of the Year. From Ryan, Miller moved to Monsignor Bonner for one season where he closed his high school career with 150 victories.

Off the court, Miller's players have excelled in the classroom. Since 1997, the team posted the best grade point average in Division I Women's Basketball during the 1997 and 2000 seasons, and they have finished in the top 10 in 1998 (2nd), 1999 (7th) and 2001 (3rd). Over the past 15 seasons Miller has coached three Academic All-Americans, as Jen

Zenszer (3rd Team) joined Jennifer Cole (1991-92 - 1st Team) and Mary Greybush (1990-91 - 3rd Team) in 2000-01. Miller has also coached numerous Academic All-Conference and All-Big 5 members during his tenure as coach.

Miller, a 1969 graduate of St. Charles Seminary, holds a Bachelor of Arts degree in Philosophy. In 1976, he obtained a Master's degree in Guidance and Counseling from Villanova.

Originally from Reading, PA, Miller and his wife, Emily, now reside in the Roxborough section of Philadelphia with their daughter, Katie.

*La Salle Director of Athletics, Dr. Thomas Brennan (right), presents head coach John Miller with the game ball from his 250th career win, which came against Fordham during the 1998-99 campaign. Miller enters 2002-03 just 13 wins shy of the 300 mark, and an equal number of victories away from the school's 500th women's basketball triumph.*

The Lady Cougars took advantage of a 22-2 run to break the game open early in the second half after La Salle led at the break, 29-26. Houston's Chandi Jones and Valerie Muoneke sparked the run that covered the first nine minutes of the half. The Explorers made no field goals during this time with their only two points coming from free throws from junior Bonnie Randa. La Salle closed the lead to seven points with the score 50-43 with 6:20 left in the game after five straight points from senior Suzanne Keilty, but Houston closed the game out by outscoring the Explorers 15-6.

Keilty lead the Explorers in scoring, as she ended with 13 points. Randa added 12 points, while sophomore Kat Foley finished with eight points and a career-high 11 rebounds. Junior Chrissy Walker matched her career-high with seven assists.

The Explorers saw Hofstra get off to a fast start behind Jen Brickey's 11 points in the first 10 minutes. Brickey hit a three-pointer to give the Pride the their largest lead of the game at 18-10. The rest of the first half was the Suzanne Keilty show, as she scored 16 of her 18 first half (and game) points over the final 9:41 of the half. During this time, Keilty had a stretch where she scored 14 straight of the Explorers points. The Explorers trailed 29-28 at halftime, as only Hudak (six points) and sophomore Kat Foley (four) scored in the first half.

In a turnaround from the Houston game a night before, the Explorers scored the first six points of the second half and never looked back. The Explorers other senior Beth Hudak and junior Bonnie Randa took control in the second half, by each scoring eight points. The Explorers shot a tournament-high 42 percent from the field in the second half on the way to outscoring Hofstra 26-19.

Junior Chrissy Walker finished with seven points, five assists and two steals for the Explorers. Randa added eight points, while Foley finished with nine rebounds.

A solid second half was not enough, as La Salle suffered a tough 63-54 loss to Marquette at the U.S. Cellular Arena.

La Salle shot only 33 percent (18-55) from the field, but shot a very respectable 78 percent from the foul line, which included a 14-16 performance in the second half.

Marquette had the lead for all but one minute in the game, and took a 29-19 lead into the halftime break. The Explorers took their only lead at 5-4 on a three-pointer by senior Suzanne Keilty with 5-4, but Marquette responded a minute later with five quick points and never looked back. The Golden Eagles used runs of 8-0 and 7-0 late in the half to help extend their lead to 10 points.

After going down 16 points in the second half, the Explorers came to life and went on an 18-6 run to trim the lead to 49-43. That was the closest the Explorers would get, as Marquette closed the game by outscoring the Explorers 16-11.

Senior Suzanne Keilty led the Explorers for the third straight game, as she finished with 13 points, while junior Chrissy Walker scored a career-high 11 points and added five steals. Senior Beth Hudak notched her second double-double of the season with 10 points and 10 rebounds.

La Salle's school record and arena-record 11 three-pointers were not enough to outlast host Delaware.

The Explorers saw Delaware take an early 7-0 lead in the first, but kept the game close behind the great three-point and foul shooting. The Explorers tied a season-high for a game with seven three-pointers in the first half alone, led by two each from senior Suzanne Keilty and junior Chrissy Walker. Senior Beth Hudak went 6-6 from the line in half and scored six of the final eight points for the Explorers. Still, Delaware took a 42-38 lead into halftime as Julie Sailer scored 14 points of her career-high 21 points.

The Blue Hens took control of the game early in the second half and never looked back, as they outscored the Explorers 41-28 in the half. The Explorers got to within seven points at 57-50, but Delaware kept extending its lead until it was at a game-high of 19 points with 43 seconds remaining.

Keilty finished the game with 18 points and five rebounds. It was the fourth straight game she led the team in scoring, as she tied her season-high. Walker set a new career-high for the second consecutive game, as she finished with 12 points. Freshman Meghan Wilkinson tied a career-high with 11 points, while Beth Hudak added 11 points, eight rebounds and five assists.

La Salle never had the lead in its 2001-02 meeting with Bucknell, and the host Bison took control of the game from the get-go. Bucknell shot 53 percent (20-38) from the field on their way to a 45-27 halftime lead. On the other hand, the Explorers shot only 32 percent (9-28) and turned the ball over 12 times in the half. Bucknell's Vicki Quimby scored 16 of her 26 points in the opening half.

The second half was the same, as Bucknell opened the half by scoring the first five points of the half. La Salle freshmen Jill Marano and Meghan Wilkinson tried to keep the Explorers in the game as combined to score 16 of the Explorers 38 second half points. The lead was too large and Bucknell's shooting (64 percent - 16-25) continued to be too good for the Explorers to get back into the game.

Senior Beth Hudak scored 16 points and added six rebounds for the Explorers. Marano scored a career-high 10 points, while Wilkinson added nine points. Freshman Monica Garrido Sanz grabbed game-high and career-high nine rebounds.

La Salle dropped its second straight game in the Atlantic 10 Conference with a 77-60 loss to St. Bonaventure, who never trailed in the contest.

The Bonnies opened the game with a 7-0 run. However, La Salle tied the game at 9-9 thanks to three-pointers by Chrissy Walker and Bonnie Randa. It was the only time St. Bonaventure did not lead in the game.

The Explorers kept it throughout the first half, but with five minutes to go, the Bonnies took command of the game, thanks to their freshman guard Stefanie Collins. She connected on three straight three-point attempts to push their lead to 37-26 and took an 11-point lead into the half.

La Salle was able to cut the deficit to five in the opening part of the second half, as Kat Foley hit three jumpers and Suzanne Keilty hit a pair of threes, her second making the score 52-47, with 15:50 remaining.

However, the Bonnies went on a 9-4 run to push the lead back to 10 and the Explorers could never get in under double digits again.

Foley ended the game with a team-high 16 points, while Keilty added 13 points. Walker had a team-high eight assists and four rebounds. La Salle was outrebounded, 43-28, and only managed five off the offensive glass.

La Salle fell in its fourth straight game in the Atlantic 10 play with a 77-40 loss to Rhode Island. It was the Rams first victory ever over the Explorers in 12 meetings.

The 40 points was their lowest scoring output for the season and lowest since a 64-38 defeat to Dayton, February 3, 2000.

Hilary Goodrich scored 29 points for the Rams and her 22 points at the half was more than the Explorers' 21. She was 11-for-14 from the field and hit a pair of three-pointers. Goodrich added seven rebounds and three steals to her totals.

The Explorers were led by Monica Garrido Sanz, who had team-highs with 10 points and six rebounds off the bench. Beth Mays tied a career-high with five steals. La Salle shot 11-for-52 for the game and missed its first 11 shots to open up the second half, as they shot 14.8% after halftime.

However, La Salle was 14-of-15 from the free throw line, improving their team free throw percentage to 73.3%, which is second in the Atlantic 10 Conference behind only Saint Joseph's, who lead Division I with an 80.0% average.

The game was the 450th contest coached by La Salle's John Miller.

The Explorers extended their worst losing streak in more than a decade by falling to conference opponent Xavier, despite a season-high 19 points from Suzanne Keilty.

The last time La Salle had lost five straight games was February 5-17, 1990; the only other time head coach John Miller has had such a slide. It was La Salle's fifth five-game losing streak in the program's 30-year history.

Keilty scored 13 of her team-high 19 in the first half, as she kept the Explorers close in the early going. She was 5-of-8 from the floor and hit a three-pointer in the first half, and was also 2-for-2 from the foul line.

The two foul shots at the 6:08 mark of the first half put a Musketeers' lead that was as many as eight points to a single point. However, a three-pointer by Reetta Piipari pushed the lead back to four and the Explorers would never again get closer.

Kreager had game-highs with 21 points and eight rebounds, while Amy Waugh had 18 points and nine assists. Piipari finished with 12 points, all made threes. Monica Garrido Sanz scored 13 points and grabbed seven rebounds, while Jill Marano had 10 points, also off the bench.

Kat Foley scored a career-high 28 points and grabbed eight rebounds, however Dayton put five players in double figures and the Explorers lost for the sixth-straight game.

Foley scored 20 of her game-high 28 in the second half and scored 10 straight for La Salle in the second half from the 9:40 mark to the 2:34 mark. Her lay-up with 8:13 left in the game pulled the Explorers to within a point at 55-54, but as Foley could only put the ball in the net for La Salle, Dayton scored 17 to push its lead to 11.

The 28 points for Foley marks the first time an Explorer has scored more than 26 in the last five years. Ironically, the last player to accomplish the feat was Chrissy Donahue (Doogan), an assistant coach for La Salle during the 2001-02 season, who scored 30 versus Dayton, January 12, 1997. Also, Foley scored all of 28 points during her freshman campaign.

Senior Suzanne Keilty followed a season-high night of 19 points at Xavier, with 18 points on 5-of-9 shooting, which included a career-high tying four three-pointers.

La Salle matched the program's longest losing streak in history with a 95-74 loss to the Richmond Spiders.

The last time the Explorers lost seven straight it was from December 9th through January 15th during the 1978-79 season. This is now the longest losing streak in Head Coach John Miller's 16 seasons. His previous was a five-gamer.

La Salle actually held the largest lead of the first half, after a Jill Marano steal and lay-up put the Explorers up 31-25. However, the Spiders went on a 9-0 run over the next four minutes and went into the locker room with a two-point halftime lead.

The Explorers tied the game at 47-47 on a Kat Foley basket with 16:36 left in the game, but again Richmond would go on another run and push its lead to 10 with 13 minutes to go and La Salle could never get it under double digits.

Foley followed her career-high 28 points against Dayton with a 25-point, eight-rebound night, both team-highs. Seniors Suzanne Keilty and Beth Hudak added 15 and 14 points respectively.

La Salle was down by as many as 15 points with 10 minutes remaining in the game, but cut it to three with under a minute to go. However, the Dukes secured the win by hitting 5-of-7 free throws in the last 36 seconds.

Bonnie Randa scored a career-high 18 points on 7-of-10 shooting from the field and was a career-high 4-of-7 from behind the three-point line. She also grabbed five rebounds and had a career-high six steals.

Fordham's Monica Mack hit a leaner in the lane with 2.2 seconds remaining in the contest to lift the Rams to a 62-60 victory. The loss continued La Salle's longest losing streak in women's basketball history, while Fordham halted its eight-game slide.

The loss spoiled another superb effort by senior Suzanne Keilty, who tied a career-high with 20 points, hitting 9-of-10 free throws, which is also a career-high for her, and making a trio of three-pointers.

La Salle actually trailed by as many as 15 points in the first half, but they held the Rams to just one basket over the last eight minutes and took a 27-25 lead into the locker room. The 19-2 run was sparked by a three-pointer by Meghan Wilkinson and Chrissy Walker, who scored seven of her nine points during the spurt and had three of her game-high six assists, as well.

Fordham regained the lead and went up by as many as six points midway through the second half, but fell into another scoring drought as the Explorers went on an 18-3 run to take a 56-47 lead with 5:51 to go.

The Explorers could only manage four points in the last five minutes of play, four foul shots, and were 12-for-12 from the free-throw line in the game. However, Fordham couldn't miss down the stretch and shot 60% in the second half.

Foley scored a game-high 18 points, the sixth time in conference play she scored in double figures, on 7-of-14 shooting from the field and 4-for-5 from the foul line. She also added six rebound in the game, which also marks the sixth time in 10 conference games she has grabbed that many or more.

Suzanne Keilty converted two free throws with :35 left on the clock to become the 18th La Salle women's basketball player to score 1,000 points in her career. However the team's losing streak hit 11 straight with an 84-52 loss to Richmond.

La Salle was out of the gates quickly scoring the game's first five points and held a 12-11 lead with 3:57 to go in the first half after a Kat Foley lay-up. However, that would be the last Explorer basket until another Foley basket at the 7:54 mark, a span of six minutes and 21 Richmond points.

Richmond cruised into the half after shooting 17% from the field in the first half, which included 4-for-11 (54.5%) from behind the arc. That combined with the Explorers 2-of-13 from three-point land and 25% shooting gave the Spiders a 52-19 halftime lead.

The Spiders had six players in double figures, while 12-of-13 players scored. Sandie Walker had a double-double with 11 points and 10 rebounds, while Elise Ryder led all scorers with 14 points.

Foley continued her impressive play in Atlantic 10 play, scoring 13 points.

Dayton's Chrissy Donovan's half-court shot at the buzzer hit off the front of the rim and La Salle won its second straight game in Atlantic 10 Conference play after dropping the first 12, with a 77-76 overtime win over the Flyers.

Sophomore Kat Foley scored a career-high 31 points and grabbed 10 rebounds, the first double-double of her career, in just 26 minutes. Her previous career-high was a 28-point effort at Dayton earlier this season. Ironically, the last player to score more than 30 points in a game was Chrissy Donahue (Doogan), an assistant coach in 2001-02 for La Salle, who scored 30, also against Dayton, January 12, 1997.

Senior Suzanne Keilty also scored a career-high with 21 points, which included a trio of three-point baskets and a perfect 4-for-4 from the free throw line. She played a career-high 41 minutes in the overtime contest.

Junior Chrissy Walker came within two assists shy of the all-time La Salle record for assists in a game. She handed out 18, a career-high and Atlantic 10 record. It was the most by an Explorers player since Mimi Harris dished out 20 versus Loyola back in 1992.

After a season of celebrating 25 years of Atlantic 10 conference excellence, it is now time to start another chapter as the Atlantic 10 boldly embarks on the next 25 years.

The institutions which today make up the Atlantic 10 conference are committed to providing a broad-based, competitive athletic environment without sacrificing the high ideals of scholarship and sportsmanship. The University of Dayton, Duquesne University, Fordham University, The George Washington University, La Salle University, University of Massachusetts, University of Rhode Island, University of Richmond, St. Bonaventure University, Saint Joseph's University, Temple University, and Xavier University each offer a rich blend of sound academic and athletic traditions to form an impressive athletic alliance.

If a conference bases its success on the achievements of its student-athletes and teams, then the 2000-01 season was a success. That success was highlighted by three men's and two women's basketball teams advancing to the NCAA Tournament. For the men, Saint Joseph's, Temple, and Xavier earned bids, with the Hawks advancing to the Regional Final; for the women, George Washington and Xavier went to the tournament, with the Musketeers also advancing to the Regional Final. In addition, the Dayton and St. Bonaventure men advanced to the IT, with Dayton reaching the quarterfinals, and the Temple women qualified for the WNIT. Other teams to qualify for NCAA Tournaments last year include the George Washington men's gymnastics and women's volleyball teams; the Massachusetts field hockey, women's gymnastics, football, and women's tennis teams; the Rhode Island women's gymnastics, men's golf, men's soccer teams; the St. Bonaventure men's tennis team; the Temple baseball and women's lacrosse teams; and the Xavier men's golf and women's soccer teams.

In all, 300 teams have represented the Atlantic 10 conference in postseason play since the 1976-77 season.

Individual highlights include UMass swimmer Billy Brown, Saint Joseph's cross country runner Karl Savage and cross country and outdoor track & field performer Christine Lane participating in the NCAA Tournament; Atlantic 10 men's basketball Player of the Year David West earning Associated Press honorable mention All-America status, as did Xavier's women's basketball standouts Jennifer Phillips and Taru Tuukkanen; Massachusetts field hockey players Mike Bruemmer and Zowie Tucker garnering second-team All-America laurels; Rhode Island men's soccer player Nicholas McCreath earning third-team All-America honors, as did Rams' baseball player Mike LaBarbera by the American Baseball Coaches Association; Kevin Kirkby of Saint Joseph's being named third-team All-America by the National Collegiate Baseball Writers Association; Molly Mueller of George Washington and Sarah Pollman of Massachusetts earning second- and third-team All-America honors, respectively, from the Collegiate Rowing Coaches Association; and Fordham's Andrew Paolollo and Eric Wilson of St. Bonaventure being named to the Louisville Slugger Freshman All-America baseball team.

Atlantic 10 student-athletes excel in the classroom as well. The Atlantic 10 sponsors several academic awards programs, including Academic All-Conference teams in each of its sports and the Commissioner's Honor Roll, which honored an Atlantic 10 record 1,562 student-athletes with a 3.0 grade point average or better this past year. The league also cites a male and female Scholar-Athlete of the Year, and awards a pair of postgraduate scholarships to both male and female student-athletes who express a desire to continue their education.

Numerous Atlantic 10 student-athletes earned Academic All-America recognition in 2000-01, including first-team honorees R.J. Kazuba (men's soccer) of Dayton;

Thomas Blankvoort (men's golf) of George Washington; and Kevin Kirkby (baseball) and Jim Reilly (baseball) of Saint Joseph's. In addition, La Salle had the highest grade point average of any women's basketball team in the nation.

The genesis of this tradition of success can be traced to March 2, 1975, when eight university representatives

er following Theokas' departure. In eight years as commissioner, Bertovich expanded the Conference staff to better meet the growing needs of the membership and established the Atlantic 10 Television Network, which has developed into a major regional outlet and has won three Emmy Awards. In addition, he oversaw further membership changes as Xavier was added to the league while Penn State, Rutgers, and West Virginia left. Furthermore, he continued the league's emphasis on broad-based programs as the Atlantic 10 expanded its championship list with the additions of women's cross country, field hockey, men's and women's soccer, women's swimming & diving, and men's and women's indoor track & field, as well as the reinstitution of men's swimming & diving.

On April 13, 1994, Bertovich resigned his position to accept the job of vice president and general manager of Empire Sports Network in Buffalo.

On June 14, 1994, Linda Bruno was officially introduced as the Atlantic 10's fourth commissioner. As commissioner, Bruno has strengthened the Atlantic 10's membership with the additions of Dayton, Fordham, La Salle, and Richmond, thus assuring the Conference's future. Bruno also negotiated a pair of television deals with ESPN which provides greater exposure for the Atlantic 10's athletic programs. She relocated the league office to Philadelphia, placing it in the center of the Atlantic 10's geographic footprint. Under her leadership the Atlantic 10 has increased its championship schedule to 22 sports with the additions of women's rowing, men's and women's outdoor track & field, and women's lacrosse. Bruno also spearheaded the league's entrance into Division I football with the formation of the Atlantic 10 Football Conference in 1997. In addition, in an effort to recognize the athletic and academic achievements of all student-athletes, Bruno instituted the Commissioner's Honor Roll, which cites every Atlantic 10 student-athlete with a 3.0 gpa or better.

The Atlantic 10 Conference will crown champions in 22 sports this season: baseball, men's and women's basketball, men's and women's cross country, field hockey, men's golf, women's gymnastics, women's lacrosse, men's and women's indoor and outdoor track & field, women's rowing, men's and women's soccer, softball, men's and women's swimming & diving, men's and women's tennis, and women's volleyball.

met in Harrisburg, PA, to discuss the formation of a new collegiate basketball association. A similar meeting was also held on May 23 of that year with the final formation of the Eastern Collegiate Basketball League announced on August 13, 1975. The NCAA granted allied affiliation status upon the ECBL on October 15, 1975 and granted the league an automatic berth to the NCAA Tournament on June 17, 1976.

The ECBL began operation at the start of the 1976-77 season with Duquesne, George Washington, Massachusetts, Penn State, Pittsburgh, Rutgers, Villanova, and West Virginia as its charter members. Several changes happened quickly in the ECBL, the first coming in 1977-78 when the league changed its name to the Eastern Athletic Association - better known as the Eastern 8 - to reflect its changing mission. That year, the Eastern 8 became more than a basketball league as the men's sports of baseball, cross country, golf, swimming, and tennis were added to the championship schedule.

The next major change came in 1981 when the office of the commissioner was instituted. Leland Byrd, who had served as president and executive director of the league since its inception, as well as athletic director at West Virginia, was named the Conference's first commissioner and established the commissioner's office in Pittsburgh. Byrd guided the Eastern 8 through several membership changes as Rhode Island, St. Bonaventure, Saint Joseph's, and Temple replaced Pittsburgh and Villanova on June 19, 2001. After membership stabilized, the Eastern 8 transformed into the Atlantic 10 Conference with Byrd orchestrating the drive to make the league more broad-based as the women's sports of basketball, gymnastics, softball, tennis, and volleyball were added to the championship slate.

In May 1984, Byrd resigned as commissioner and was replaced by Charlie Theokas, who remained at the Atlantic 10 for 15 and a half months, bringing the league to national consciousness with his "Think Atlantic 10" campaign. On December 31, 1985, Theokas resigned to accept the athletic director's position at Temple and was replaced by Ron Bertovich, who officially assumed the commissioner's position in May 1986 after serving as interim commissioner.

## The Philadelphia Big 5 has one of the most unique college basketball traditions in the country....

The Big Five is comprised of five colleges in the Philadelphia area - La Salle University, Temple University, the University of Pennsylvania, Villanova University, and St. Joseph's University. For more than twenty years, the women of these five illustrious city schools have been battling each other for the City Championship. These highly anticipated games carry great importance among coaches, players and fans of the local schools.

While the men's teams have battled since the 1955-56 season it was not until the late seventies when the women began doing the same.

In 1979, the Philadelphia Big Five universities agreed to expand the round-robin play to crown a City Series basketball champion for the women, independent of the men.

While the teams had more or less played in the format since 1973-74, the actual restructuring of the Big Five Offices to include the administration and promotion of the women did not come until 1989, when four of the five teams advanced to the NCAA tournament.

Carolyn Schlie Femovich, then-chairperson of the Women's Big Five, announced that Dan Baker, executive secretary of the Big Five, would coordinate events such as television and radio exposure, the Women's Hall of Fame, pre- and post-season luncheons, dinners and other media events, and varying promotional activities.

One of the first acts was to arrange for Women's Series games to be telecast on PRISM. The union of these schools in such a unique setting has contributed to the ever-increasing popularity of women's basketball in the city of Philadelphia.

# Athletic Director DR. THOMAS BRENNAN

2002-2003 La Salle Women's Basketball 2002-2003 La Salle Women's Basketball 2002-2003

Dr. Thomas Brennan has ushered in a new era in La Salle Athletics since his appointment as the school's fifth Director of Intercollegiate Athletics and Recreation on September 18, 1997. He guides the school's 23-sport Division I Athletic program.

"La Salle has a proud and respected tradition of intercollegiate competition and I am excited to lead the department into the next millennium,"

Brennan said. "You must have integrity in your program. You must have a program which emphasizes the educational mission of athletics. You must also strive for excellence in the athletic arena. I know that these are all important at La Salle and that is what attracted me."

Since coming to La Salle, Brennan has enhanced many areas within the Athletic Department, including the formation of the Explorer Club, a fundraising/booster organization, and the introduction of an active Corporate Partners/Athletic Sponsorship Program. Membership in the Explorer Club has more than doubled during his tenure. Corporate partnerships have been established with many local businesses and corporations. During his tenure, the Philadelphia Big 5 has been rejuvenated, the Tom Gola Arena has been dedicated, the Alumni Hall of Athletes' Program has been expanded and many other initiatives have been introduced in an effort to enhance the overall program.

Under Brennan's guidance, La Salle Athletics has enhanced its commitment to Youth Outreach and Community Service. La Salle was selected, by the NCAA, as one of only 20 schools to participate in a national program with the Big Brothers/Big Sisters Organization (Campus Pals). La Salle has also been recognized for three consecutive years by the National Consortium for Academics and Sport for having one of the most active and expansive outreach programs in the country.

Dr. Brennan serves as a member of the Executive Committee for the Philadelphia Sports Congress, and as a member of the Board of Directors for the Big Brother and Big Sister Association of Philadelphia. He has served as Chair for the Atlantic 10 Conference Post-Graduate Scholarship Committee and the Television Committee, and as a member of the Atlantic 10 Women's Basketball Committee, and the Student-Athlete Advisory Council. Dr. Brennan is also a member of the Executive Committee for the National Consortium for Academics and Sport.

Brennan was the Athletic Director at San Jose State University from 1990-97, moving the school from the Big West Conference to the Western Athletic Conference. During his administration, graduation rates for student-athletes more than doubled as did participation by women in intercollegiate athletics, as the university was recognized for Title IX compliance efforts by the Office of Civil Rights of the U.S. Department of Education. In addition, annual athletic contributions increased three-fold, while \$6 million was raised for a new field house and administrative complex.

Prior to his tenure as the Athletic Director at San Jose State, Brennan was the Director of Athletics at Loyola College in Maryland from 1986-90. During that time, Brennan successfully moved Loyola from the Northeast Conference into the Metro Atlantic Athletic Conference. The Greyhounds became national contenders in men's and women's lacrosse and men's soccer and competed for the NCAA Division I Championships in each of these sports. While at Loyola, Brennan was a member of the Board of Directors for the Maryland Special Olympics.

From 1980-86, Brennan worked at the University of New Mexico, first as Assistant Athletics Director and then Associate Athletics Director for Advancement. At the time of his departure, he oversaw the fundraising, media relations, sponsorship, marketing, sales and athletic alumni efforts. Part of his duties included establishing a statewide radio and television network. Prior to that, he oversaw the NCAA compliance program and academic support area of the department. Brennan also earned a faculty position in the school's Graduate Program in Athletic Administration.

Brennan's career in athletic administration began at Syracuse University, where he was Academic Coordinator for the athletic department, serving as a liaison with the school's central administration, deans, department heads and coaches. Syracuse was recognized at the time by the NCAA as having

one of the top student-athlete graduation rates in the country.

A 1973 graduate of LeMoyne College in Syracuse, NY, Brennan went on to earn Master's and Doctoral degrees in Higher Education Administration from Syracuse University. A native of Brooklyn, NY, Brennan and his wife Ellen are the parents of Maggie, Tim, and Kate.

# LA SALLE AND PHILADELPHIA

2002-2003 La Salle Women's Basketball 2002-2003 La Salle Women's Basketball 2002-2003

La Salle University is a private, comprehensive, coeducational institution committed to academic excellence and individualized attention in a values-oriented, inter-faith educational community.

Consistently ranked among the nation's top schools by *U.S. News & World Report*, *Barron's*, *Money* magazine, and *The New York Times*, La Salle has evolved from a liberal arts college into a comprehensive university of increasing national prominence.

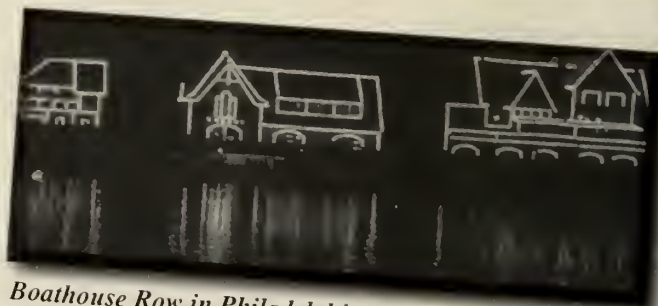

Established by the Christian Brothers in 1863, La Salle is one of the oldest independent Roman Catholic institutions in the nation. It traces its roots to the patron saint of teachers, John Baptist de La Salle, a priest and educational innovator who founded the Christian Brothers in 17th century France. For over 300 years, the order has been known for its dedicated teaching and devotion to students.

As one of seven Christian Brothers colleges and universities in America, and 72 around the world, La Salle prepares students for careers, enhances professional capabilities, and promotes personal growth in the unique Lasallian tradition.

Starting out as a one-building academy in downtown Philadelphia, La Salle is now located on a picturesque 100-acre campus in Northwest Philadelphia, just six miles from the cultural, social and historic attractions of Center City.

*Philadelphia is an important part of the La Salle University experience.*

*Boathouse Row in Philadelphia is located on the banks of the Schuylkill River, the home course for the Explorers crew.*

Two convenient satellite campus sites are located in Northeast Philadelphia and Newtown, Bucks County.

In an area increasingly dominated by large public institutions, La Salle's small class size and intimate campus provide the ideal environment for friendly student-teacher interaction and individualized attention.

With approximately 3,200 undergraduate and 1,500 graduate students, most classes average 20 students with a student-faculty ratio of 14-to-1. Day and evening faculty number some 400, and the University offers concentrations in close to 60 academic areas.

In addition to the undergraduate degree programs offered in the School of Arts and Sciences, Business Administration, Nursing, and Continuing Studies, La Salle offers 10 Master's degree programs and a Doctoral program that was introduced in 1998.

More recently, the University has launched a series of new undergraduate programs in a continuous effort to integrate the latest technology into the curricula. These include the E-Commerce Institute, ISBT (Integrated Science, Business and Technology), Speech-Language-Hearing Science, DART (Digital Arts and Multimedia Design). A nationally-recognized Honors Program, praised by the National Collegiate Honors Council for being "a very special sort not available to larger, general universities," is available for La Salle's most gifted learners.

La Salle students come from more than 700 public and private schools from 25 states, mostly in the northeastern part of the United States, and from approximately 20 foreign countries. The University confers more than 1,100 degrees annually.

Academically, La Salle's graduates have distinguished themselves in the nation's best graduate, law, and medical schools. And they boast an extraordinary record for winning Fulbright Fellowships and other prestigious postgraduate awards. Over the past 20 years, 96 percent of those students who were recommended by La Salle were offered entry into medical schools. A national survey ranks La Salle in the top 4 percent among private undergraduate institutions whose graduates go on to earn PhDs.

## ACADEMIC EXCELLENCE

2002-2003 La Salle Women's Basketball 2002-2003 La Salle Women's Basketball 2002-2003

### Academic Advising and Monitoring of Academic Progress

The staff of the Academic Support Services office works closely with student-athletes from the time they arrive on campus until the time they graduate and leave the university. Counselors work closely with other university advisors to assist you in the areas of academic planning, goal setting, class schedule building, dropping and adding classes, choosing majors, and understanding degree requirements. They also help you understand La Salle and NCAA academic policies that affect your academic progress and your athletic eligibility.

### Study Hall Program

Study hall is a monitored and structured study environment where student-athletes work individually on their class assignments or with specific tutors. Each night at study hall, staff members are present to answer any questions you may have or to assist you with any difficulties you may be encountering. At study hall, you can also participate in study skills seminars that are conducted during each semester.

Study hall is required for all new student-athletes (this includes transfer students) and continuing students-athletes who have a cumulative grade point average below a 2.33. Study hall, which is held on campus, is offered Sunday through Thursday evenings from 7:30 to 9:30 PM. Student-athletes are held accountable for two or three nights of study hall each week and are expected to attend on a consistent basis. Weekly attendance reports are promptly given to all head coaches.

### Tutoring Program

The Tutoring Program is a major component of the Academic Support Services office. It is available to all student-athletes, in all sports, and is free of charge.

Tutors are typically third and fourth year students, while some are graduate students. Tutors can help you with specific course content and/or specific study strategies that can improve your learning. Tutoring is available in virtually all core classes including mathematics, natural and physical sciences, social sciences, and the humanities.

To request a tutor, student-athletes visit with their counselor in the Academic Support Services office. Counselors review the policies and procedures for working with a tutor and assist you in taking advantage of this very valuable resource.

### Student-Athlete Orientation Meetings

At the beginning of every academic year, all student-athletes attend Student-Athlete Orientation meetings. Usually these meetings are done individually with each sports team. At these meetings student-athletes learn about La Salle University, the Athletic Department, and the Academic Support Services office. Additionally, student-athletes complete the necessary NCAA and La Salle athletic

### Instructor Communication

The staff in the Academic Support Services office communicates on a regular basis with university faculty and staff. The purpose of this communication is to monitor the academic performance of La Salle student-athletes and to be alert to any academic concerns or difficulties they may be experiencing. Academic information obtained from this communication comes in the form of what is called Academic Progress Reports. These reports are completed twice each semester and are shared with each student-athlete and their head coach.

The staff also communicates with faculty concerning travel due to athletic competitions. When an away contest or travel is approaching, student-athletes complete what is called a Class Absence Form. Once a student-athlete completes this form, the Academic Support Services office prepares official excuse letters for student-athletes to pick-up and provide to each of their instructors. Student-athletes are encouraged to provide this information to their instructors before they leave campus, so they can make arrangements to make up any course work that will be missed.

### EXPLORER CHAMPS/ Life Skills Educational Programming

Throughout the academic year, Academic Support Services will conduct and coordinate a variety of educational programs. These are in the form of seminars (i.e., New Student-Athlete Life Skills Seminar), guest speakers, workshops, town hall meetings, individual team meetings, specific class sessions (freshmen, seniors, etc.), and department wide programs. Programming ideas are often suggested by head coaches or the student-athlete leadership group called ARC (Athlete Relations Council). Topics that have been addressed include the following: alcohol education, sexual assault and responsibility, diversity, career development, nutrition, hazing, leadership, study skills, and time management.

# ATHLETIC TRAINING

2002-2003 La Salle Women's Basketball 2002-2003 La Salle Women's Basketball 2002-2003

La Salle's Athletic Trainers work with team physicians, student health, and the counseling center to help oversee the well-being of all student-athletes.

The University has established a partnership with the Albert Einstein Health Care Network and provides physicians through the Albert Einstein Sports Medicine program, located less than one mile from the University. These physicians are

also available on campus at the Hayman Center Training Room.

The La Salle University Athletic Department also has established a partnership with NovaCare Physical Rehabilitation. NovaCare provides physical therapy services in the athletic training room in addition to supplemental athletic training coverage.

## BILL GERZABEK — DIRECTOR OF SPORTS MEDICINE

The Explorer Athletic Department has three top-notch, certified full-time athletic trainers.

Bill Gerzabek is in his fifteenth year as head athletic trainer. In this time, Bill has been at the helm of some

major changes to the La Salle University Athletic Training Department. Prior to coming to La Salle in 1988, Bill served as Assistant Athletic Trainer at Georgetown University in Washington, D.C. for two years.

This followed a Graduate Assistantship at the College of William and Mary in Williamsburg, Virginia, in affiliation with Old Dominion University, where Bill earned a Master of Science degree in Education with a concentration in Athletic Training. A native of Connecticut, Bill earned his Bachelor's

degree from Central Connecticut State University in New Britain, CT. At CCSU Bill served as a student Athletic Trainer under his mentor, Carl Krien.

In the summer of 1997, Bill lent his expertise to the Olympic Training Center in Colorado Springs, Colorado. There he served as a volunteer Athletic Trainer to the resident weightlifting athletes. He met and worked with many Olympic athletes including Wes Barnett, Tom Gough, and Olympic gold medalist Tara Nott. Other responsibilities included assisting in the coverage and treatment of boxing, men's gymnastics and the USA men's and women's volleyball junior and national teams. Bill enjoyed the experience of his two weeks in Colorado Springs and the knowledge he gained from working with fellow athletic trainers.

In addition to an array of other related athletic training experiences, Bill has also made his mark at the head of the classroom. There was an overwhelming enrollment for "Prevention and Care of Athletic Injuries", when Bill served as adjunct professor in his La Salle University teaching debut in the spring of 1996 and 1998.

Bill currently resides in Springfield, Delaware County, Pennsylvania with his wife Jackie, 9-year-old daughter Katie, and 5-year old son Michael.

## KRISTIN BARNARD — ASSISTANT ATHLETIC TRAINER

Kristin Barnard is in her third year at La Salle University. She received her Bachelor of Science degree in Physical Education with a concentration in Athletic Training in May of 1997 from Temple University.

Kristin completed her studies in the Graduate Athletic Training Program at Temple and received her Master of Education degree in 1999.

Kristin brings to the staff a variety of experiences in the sports medicine field. During her graduate assistantship, Kristin served as Head Athletic Trainer for West Deptford High School. She has also worked as a physical therapist in a clinic, assisting physicians and helping to develop exercise rehabilitation programs. Kristin currently resides in Sicklerville, New Jersey.

# STRENGTH AND CONDITIONING

2002-2003 La Salle Women's Basketball 2002-2003 La Salle Women's Basketball 2002-2003

*David Van Dyke*

A solid strength and conditioning program is crucial in the competitive world of college basketball. A critical component to on-court success is the work that is put in off the court.

David Van Dyke is in his first year as the strength and conditioning coach for all of La Salle's 23 varsity athletic programs. He came to the Explorers from Penn State

University, where he received his

Master's degree in Kinesiology. While working on his Master's degree, David worked as a Graduate Assistant Strength and Conditioning Coach with the Nittany Lions' Football team.

He has tailored a strength and conditioning program that has been specifically designed to match the on-court demands of the game of basketball and to coincide with the playing style of Coach Hahn and staff.

La Salle University's strength and conditioning program is designed to maximize the student-athletes' performance potential and to develop mental toughness. This is accomplished

through the use of orthopedically safe, physiologically sound exercises and comprehensive total body training.

By systematically and progressively overloading the muscles trained and holding each athlete accountable for each repetition of each exercise of every workout, the program ensures consistent gains in strength and power.

The focus is on teaching the athlete to produce a maximal effort repeatedly for a given period of time, not on how much weight an athlete can lift for one repetition.

The program maximizes the time spent in and out of the weight room, preparing the athletes for competition by making the workouts specific and purposeful so that they are a means to an end not, an end in itself.
